BUILDING AN INCLUSIVE JEWISH COMMUNITY

## Parshat Terumah “Come Together”

In This week's Parasha, Parashat Trumah , the Torah tells us about the building of the Mishkan. Also, in the haftorah we read about King Shlomo, and how he built the Beit HaMikdash. The Mishkan and the Beit HaMikdash were places where Bnai Yisrael gathered to worship Hashem. All of Bnai Yisrael would come together to celebrate the Shalosh Rigalim, Pesach, Shavuot, and Succot.

Hashem wants us all to come together. It can be easy to look past individuals with disabilities as worshippers of Hashem, but let's take a moment, and recognize that we are all part of society and Jewish life. Let's maximize this and set inclusion of individuals with disabilities as a priority.

**Shabbat Shalom!**
