about Our Way

Our Way/NJCD is a program for the Jewish deaf and hard of hearing, sponsored by the National Jewish Council for Disabilities under the auspices of the Orthodox Union.

We provide various activities for members including holiday celebrations, Jewish heritage classes, family workshops, job placement, inclusion in social and educational Judaic programs and weekend retreats. Our activities are interpreted by American Sign Language, Oral and Cued Speech interpreters depending on the needs of the participants.

The cost of this weekend is highly subsidized by NJCD.
